QUESTIONS/RESPONSES BELOW:

- **In exhibit A it mentions a Roadway List. Is there a list of Roadways that will be striped?**

Is it the intent of this project to Re-Stripe existing streets/roads or Stripe roads/streets with no current markings? The reference to a roadway list should not have been included. There is no list included in this advertisement as the bid for the quantity of linear foot at various locations throughout the City.

This project is to re-stripe existing streets that have striping that is wearing. Striping is for center line and edge line only.

- **See the attached Bid Schedule form. Is this the form we use to bid with? Are we to fill in Price and Quantity that will total \$150,000.00?**

I assume this is an as needed bid? Will there be a minimum order or will all roads be given to the contractor at one time? The bidder shall complete Exhibit B by providing a Bid quantity, a Unit Price with a Total Price Bid to be \$150,000. This is **NOT** an as needed bid. The City intends to award the total amount of the bid value at one time.

I hereby acknowledge receipt of Addendum 1 for ITB #15-020 LONG LINE STRIPING and have incorporated the changes into my response for the above mentioned Invitation to Bid.
